## **APPLICATION TO EXHIBIT**

### **What is Art on the Move?**

The School of Visual Studies (SVS) brings the academic resources of MIZZOU to communities through collaborative engagements such as the Art on the Move Outreach Program that include MU students, alumni and faculty creating mutually beneficial learning outcomes for our students and the local community.

Art on the Move provides hands-on professional career building opportunities for MU SVS students and alumni, by returning them to their Missouri hometowns or home regions to share their art with others in communities across the state and plays an instrumental part in recruiting the next generation of SVS students.

### **Information for Applicants:**

Interested students, faculty and alumni should complete the attached application and return it to Madeleine LeMieux (mml7nt@umsystem.edu) the Art on the Move Coordinator. Applicants can apply for solo exhibitions or propose a curated group exhibition.

Applications do not guarantee an exhibition. Applicants agree to work with the Coordinator to prepare work for professional presentation, and may be asked to make their work available to travel to multiple locations during the semester. Placement for an Art on the Move event may take place any time during the year and may be up to a year in advance from the application. Applicants interested in submitting for group shows should include information for each participating artist and a brief description of the proposed exhibition. Some sponsorship opportunities may be available but no financial support is provided at this time.

Applicants with a hometown location in Missouri counties where previous events have not been held, and where event opportunities are available, will be given priority.

Submitted PDF files should total less than 25MG.
