

Adobe is hosting a Creative Jam at University of Missouri!

On **Thurs, Feb 20** you get the chance to compete with your classmates in a fast-paced, live competition using Adobe XD, our user experience design app.

What's this all about? Students spend time with an inspiring speaker and an Adobe trainer to learn about Adobe XD and the challenge at hand. Teams get 2 hours to solve the problem, using design thinking and user experience principles. Present the project to a jury of industry experts to get a chance for your team to win a \$250 Amazon Gift Card each (plus bragging rights!)

PRIZES, FREE FOOD & ADOBE SWAG WILL BE PROVIDED.

First Place Team: \$250 Amazon gift card each

Second Place Team: \$150 Amazon gift card each

Third Place Team: \$50 Amazon gift card each

PS: No previous experience needed. This experience will look great on your resume, AND you can sign up with a friend!
